APPOINTMENTS - N/A

PRESENTATIONS *(not to exceed 15 minutes each)*

Student Success Advocates: Interim Coordinator Nichole Crockrom & Interim Specialist Christian Oleo
Played video with advocates introducing the program and contact information. Goal is for each advocate to connect with 1-1 with each registered student at FC. Christian shared his story about going straight to a CSU and navigating campus alone and how an advocate could have helped intervene. Fall 2023 > Fall 2024 lost ~4,500 students, question was brought up on how to engage these students. Currently at ~19,000 students so each advocate (30 now) to about 700 students each. 26 of the advocates are pursuing higher education. Students are assigned advocate through Starfish. Advocates are not counselors.

- Senator question about training – Christian shared multiple trainings have been done through A&R, Banner, etc. The senator clarified if a student has a specific question about a program, how do they know what to say. Christian shared the advocates have been going to centers to speak with the programs.
- Senator question about how advocates navigate knowledge about niche programs and trainings – Chrisitan shared that many of the advocates are FC alumni and if an advocate is not familiar with a program to research.
- Guest asked if out of the 700 students, who are their priorities on who they are reaching out to. Are the students who are not registered for Spring being targeted first? Christian shared that there is not a priority list right now, but the contacts happening now are introductions and asking about registration
- Student Senator shared they visited the space and able to meet their advocate.
- Senator shared that during the training they emphasized that the advocates do not need to be experts on programs and the best thing they can do is to provide warm handoffs to program.

COMMITTEE AND REP UPDATES *(not to exceed 1 minute each)*

- **Faculty Senate (K.Shadwick)** - motion for language to be redrafted, to gather campus feedback, and suggestion to start from scratch. 15 full-time faculty positions will be flown. It was shared that OC Register voted us #3 as best Community College.
- **Student Senate (Samiy)** - last meeting was Nov 20 so no updates, but thanked theater for the Talent Show support.
- **PAC (K.Shadwick)** - Holiday Concert this Friday at 7:30pm
