- EPP JumpStarts starting next week, 300-450 HS seniors completing matriculation steps and registration
- FC Night, gyms filled with students and their loved ones, giving thanks for campus collaboration
- Job Fair happened 2 weeks ago, intentionally curated to follow Hornet Pathways, students were hired, difficulty collecting payment from employers who RSVP for job fair, want to advocate for a system (accept credit cards) in which payments are easier to receive (currently system only allows for checks)
- Commencement link for volunteers is open, employees need to go through their IMS for approval, 809 students RSVP'd so far (including special considerations)
 - Encourage students who are graduating Summer or Fall to apply for special consideration, another round of requests will be opened next week
- EOPS is accepting Fall applicants, already started sending approval emails, encourage students to apply and complete onboarding steps
- Call to explore recognition of National Maintenance Worker Appreciation Day (typically in March)
